WATER, AS IT WAS INTENDED TO BE EXPERIENCED

## DESIGNING PERFORMANCE SINCE 1869

When brothers Allen and Joseph Speakman opened a modest plumbing shop in 1869, they believed in craftsmanship, quality and unrivaled performance. Today, nearly a century and a half later, we continue to honor the legacy of past generations by flawlessly engineering Hospitality, Commercial and Emergency products that perform greater than anything that's available today. From Signature Brass Shower Heads to state-of-the-art emergency eyewashes - we obsess over each and every detail to deliver the best experience imaginable, period.
